

## **Pipe Hangers & Supports Private Limited.**

### **Quality Policy**

We are committed to quality as a business philosophy.

Quality is, to provide improved & cost effective products to Internal / External customers, through professional practices & on Time, backed by prompt (after sales) service.

#### **This is achieved thru,**

- Setting measurable objectives
  - Effective communication
  - Continual Improvement
- Meeting statutory and contractual requirements
  - Skill enhancement across the organization / employee empowerment
- Reviewing the suitability in line with our business requirements –periodically
